Database	MongoDB, MySQL, PostgreSQL (PSQL), Redis
Tools & DevOps	Git, PM2, AWS EC2, Hostinger VPS, CI/CD
Frameworks/Platforms	Magento 2
Concepts	Authentication, Cron Jobs, API Optimization, System Design

WORK EXPERIENCE

Radoms Digital Pvt. Ltd.

Software Developer

Greater Noida

May 2025 – Present

- Developing production-grade MERN stack applications using React.js, Next.js, Node.js, MongoDB, and Redis.
- Managing deployments on AWS EC2 and Hostinger VPS using CI/CD pipelines.
- Resolving critical backend issues, improving system performance, and implementing new features.

Webkul Software Pvt. Ltd.

Trainee Software Analyst

Noida

February 2025 – April 2025

- Worked on Magento-based modules and backend functionality.
- Fixed and enhanced modules such as Google Address Autofill and LMS.
- Gained hands-on experience in Magento architecture and module-level development.

PROJECTS

HRMS – Internal Employee Management System

- Fixed major issues in attendance tracking, employee profiles, and leave management modules.
- Implemented cron jobs for automated leave processing and background tasks.
- Improved system reliability and reduced manual HR operations.

Newstapri – Financial News Platform

- Completed pending finance-related modules and built super-admin functionality.
- Optimized backend APIs to significantly reduce response times.
- Improved system performance and scalability under production traffic.

LitConnect – Writer–Publisher Platform

- Fixed critical backend logic issues in the offer management system.
- Ensured a writer can accept only one offer per book to prevent conflicts.
- Resolved push notification issues across flows.
- Fixed cron jobs for automation.
- Developed test-user APIs with environment-based visibility.

Achideal – Marketplace Platform

- Developed core backend modules including authentication, product CRUD, vendor management, and notifications.
- Built admin features like audit logs and reported product handling.
- Contributed to scalable marketplace backend architecture.

EDUCATION
